# St Minver Parishes – Neighbourhood Development Plan Project

## Vision Working Group

### Terms of Reference

#### 1. Background/Introduction

The Neighbourhood Development Plan (NDP) is part of The Localism Bill, introduced to Parliament on 13 December 2010, and given Royal Assent on 15 November 2011, becoming an Act. It includes five key measures that underpin the Government's approach to decentralisation.

- Community rights
- Neighbourhood planning
- Housing
- General power of competence
- Empowering cities and other local areas

The NDP sets out policies in relation to development and use of land in a neighbourhood. It describes what is to be built and where. Sites are allocated for housing and other developments. Green spaces are identified which complement investment in homes, jobs and other essential services.

**The main reason for establishing a NDP now is that from April 1<sup>st</sup> 2012 there is no local development boundary and the government do not have a transition plan.**

The Parishes of St Minver Highlands and St Minver Lowlands have agreed to establish a joint NDP, have initiated a Neighbourhood Development Plan project (Project) and established a Steering Group (SG) to direct the Project. The SG has identified the need for Working Groups including the Vision Working Group (VWG). This document sets out the Terms of Reference (ToR) for the VWG.

## 2. **Vision Working Group Objective**

The objective of the VWG is to:-

**“Identify appropriate scenarios that would impact how the St Minver Parishes may look in 5, 10 and 20 years e.g. more or less tourism, more or less industrialisation, more or less green energy, minimum or more development, similar or different access and indicate how these might be reflected in the NDP. Submit to the SG an interim report by 14th February 2013 and a full report by 31<sup>st</sup> March 2013”**

The overall aim is to provide evidence that there is a clear vision of how St Minver should develop for the future based on identified and realistic needs including full compliance with the Cornwall Core Strategy (CS) Plan, which itself is subject to compliance with the National Plan Framework (NPPF).

Note 1:- within the presently planned timeframe for the VWG the CS is unlikely to receive final approval but the latest draft version is to be addressed.

Note 2:- where the vision is dependent on adjacent parishes, liaison with the NDP groups from those areas is required.

## 3. **Methodology**

The VWG is established by, and reports to the SG.

The VWG comprises Members of the SG and co-opted members as appropriate. The SG appoints a VWG Leader responsible for managing the VWG and reporting back to the SG.

Any research or studies considered to be necessary are instituted and the outcomes collated by the VWG to provide analysis and recommendations to the SG.

A verbal or written progress report is provided at each SG meeting. Where practical the VWG Leader or a deputy attends the SG meetings

Written interim and full reports are provided to the SG.

Following acceptance of the full report by the SG the VWG is dissolved.

If the full report recommends follow on work the SG may reconstitute the VWG or create a new WG. In either case ToRs are revised or created to address the situation

## 4. **VWG Membership**

The VWG comprises Members of the SG and co-opted Members as appropriate. The SG appoints the VWG Leader, who is responsible for managing the WG and reporting back to the SG. The VWG co-opts further Members as it deems necessary and appropriate. These may be residents of the Parishes, people who work or own businesses in the Parishes or people

from outside the Parishes who have necessary skills or knowledge. Membership of the VWG is voluntary and unpaid. Where skills and expertise on a paid basis are required these are contracted for, the people involved may attend VWG and/or SG meetings but are not Members

## **5. VWG Meetings**

The VWG meets as required to review progress, undertake group work and establish future actions. The VWG Leader calls meetings of the VWG as necessary and determines the times, locations and agenda for all meetings.

The VWG Leader determines the arrangements for the calling of meetings and the recording of minutes and actions as deemed appropriate.

In the event that any matter under consideration by the VWG requires a vote, all Members of the VWG are eligible to vote but advisors, or others who may be present at the meeting are not eligible to vote. To avoid any confusion the VWG maintains a visible list of those people who hold voting rights. In all matters the VWG Leader has a casting vote.

## **6. Financial Control**

All funding for the VWG is provided by the St Minver Parish Councils through the SG.

The VWG obtains approval for expenditure from the SG prior to making any commitment.

All invoices for payment are forwarded to the SG for approval and payment directly by the SG.

Members may incur expenses. Where expenses are wholly and reasonably incurred as a result of VWG activities these are reimbursable. Claims are submitted to the SG for approval and payment. Claims are normally submitted within one month of the expense being incurred and normally approved and paid within one month of submittal

Where expenses are anticipated to exceed £50 for any one claim or £250 in total SG approval is obtained before incurring the expense.

The VWG maintains a summary of all expenditure related to the VWG including commitments, invoices and payments and reports the financial status at each SG meeting.

## **7. Reporting**

The VWG provides a verbal or written report to each SG meeting. The report summarises progress of the VWG against the Statement of Work and includes a financial statement.

Where practical the VWG Leader or a deputy attends the SG meetings to respond to any questions that may arise and also to gain firsthand knowledge of how the activities of the SG and other WG are progressing that may impact the work of the VWG.

A written interim report is provided to the SG by the 14<sup>th</sup> February 2013.

A written full report is provided to the SG by the 31<sup>st</sup> March 2013 to include a summary of all findings, reference to all supporting data and any recommendations for follow on work.

## 8. **Communication**

The VWG makes all communication necessary to carry out the study and prepare the report directly with the relevant persons or organisations.

For general communication all communication routes and content are approved by the SG to ensure that consistent, accurate and timely information is communicated.

## 9. **Scope of Work**

The main purpose of the review is to identify appropriate scenarios that would impact how the local area may look in 5, 10 and 20 years e.g. more or less tourism, more or less industrialisation, more or less green energy, minimum or more development, similar or different access and indicate how these might be reflected in the NDP. Submit to the SG an interim report by 14<sup>th</sup> February 2013 and a full report by 31<sup>st</sup> March 2013.

The vision covers the whole of the St Minver Parish, involving both St Minver Lowlands and Highlands, with due reference to the Cornwall Core Strategy Plan and to neighbouring Parish and Town Councils as appropriate.

The key Project stages and tasks are listed in Appendix 1. Any substantive changes to the Scope of Work, key stages or key tasks are to be approved by revision and re-approval of this ToR document.

# Appendix 1 VWG Stages/Key Tasks

## 1. Stage 1 Initiation

- 1.1. Appoint VWG Leader
- 1.2. Agree VWG ToR/Scope of Work
- 1.3. Recruit VWG Members
- 1.4. Plan VWG activities
- 1.5. Set up Admin/Recording/Reporting processes
- 1.6. Establish Risk Register

## 2. Stage 2 – Information Gathering

- 2.1. Define the current scenario
- 2.2. Brainstorm new scenarios
- 2.3. Agree evidence required
- 2.4. Gather evidence
- 2.5. Engage with Core Strategy (CS)
- 2.6. Engage with adjacent parish NDP groups
- 2.7. Collate evidence
- 2.8. Shortlist realistic scenarios

## 3. Stage 3 – Reporting

- 3.1. Maintain financial records
- 3.2. Report progress and financial summary at each SG meeting
- 3.3. Submit interim report to SG by 14<sup>th</sup> February 2013
- 3.4. Submit full report to SG by 31<sup>st</sup> March 2013

## 4. Stage 4 – Archiving

- 4.1. Ensure all data and data sources are documented, and fully referenced in the full report
- 4.2. Record source data in easily readable and locatable formats.
- 4.3. Archive all data and reports and make available to the SG.
